Demand was very strong for the older cattle topping at £1820 for a pen of Simmental steers from Sulham Estates & Farms at 19 months who went on to sell other pens at £1808 and £1805. M/S CFN Allaway topped the Aberdeen Angus X at £1685, £1648 and £1600.

Sulham Estates topped the heifers with £1700 for a Simmental at 19 months. Charolais X from Delafield Bros sold to £1250 and Aberdeen Angus X from M/S CFN Allaway at £1240.

British Blue X from David Waters sold to £1180.

A very two-tiered trade, tremendous demand for the shorter keep sorts with Mr Rodney Howe having £136, £128 and £127. Any other lambs of size or quality were £100 plus. Today's medium keep lambs were very lean. Long keepers looked the buy of the day trading between £48-£60.

A yard of very lean ewes sold from £70-£100.
