- Please check breed & sex on passports

- Please ensure stock is ready to load before lorries arrive it is not fair to have drivers waiting making them late for next collections.
- To comply with the Welfare of Animals in Transport Act any un-sound stock will require a vet certificate before loading.
- **Young bulls must be 12 months + one day of age.**
- **Producers under TB Restriction should make sure they are issued with the AMENDED TB24C LICENCE authorizing general movement of bovines directly to a licensed slaughter house or via an approved TB slaughter gathering (Tuesday collection Centre)**
- All Non-Assured cattle must have a valid Vet Attestation Number (VAN) before coming to a collection Centre or going to an abattoir.
