Wednesday 7th October 2026

Auctioneer: Simon Draper

Prime Lambs: 353 Forward

SQQ-310.8 p/kg	TOP- £175
-----------------------	------------------

A much steadier trade today on a wet Wednesday, the first for many weeks. Trade dropping all week made life difficult this week, as well as there being more leaner lambs in. Leach Farms LTD topped the day with Beltex X 57kg at £175 & 51 ½ kg at £170. Honesberie Farm sold Charollais X North Country Mules at £165 followed by Will Barber at £165 also. Leach Farms sold to 330 p/kg, followed by M/S Ballard with 46kg at 326p & M/S Baker 322p.

Ewes: 77 Forward

A reasonable trade for the better fleshed ewes but more plainer sorts coming forward. Suffolk X sold to £166 & £165 from M/S Tredwell. Thick Mules from M/S Tuckwell sold to £164.
