THAME FARMERS AUCTION MART LTD

Deadweight – Week ending 10.4.26

Stock sold: 178 cattle

Clean Cattle (141)

A few more cattle forward with the start of a new financial year. Sales reported as diabolical with the public purse pinched by rising fuel cost etc. The two short weeks have also back cattle up with reduced processing days. Processors may be looking to ease prices back again.

OTM Clean, Mature Bulls, Barren Cows (37)

Numbers tighten as expected for the time of year. If cows are fit, they want selling as the clean price is looking to ease and processors will be looking at the cost of cow meat. Good cows over £2500 this week – with several fat cows placed.

Cows wanted – Good, best, bad or ugly why not give us a try! Non-UK tagged and non-FABBL (subject to VAN) catered for.

Old Season Lambs

Like turkeys on boxing day - a light ease in price after easter - the numbers appear tight so the price may well bounce!
